

End Time Army Worldwide Ministries began in the Living Room of its founder and lead visionary Senior Apostle Cauline E Thomas-Brown DD on the New Year of 2006.

Prophecies concerning the ministry and its place in the Body of Christ and its founder were continuous from the summer of 2003. The prophecies were accompanied by the laying on of hands from such Kingdom Generals as Apostle Elisha Salifu Amoako, Prophet Morris Cerullo, Bishop Ayo, Pastor Steve Murdoch, Pastor Don Stewart, Prophet Samuel Bentil and others. Spiritual impartation also was to follow from Bishop Daggs-Mills and Prophetess Juanita Bynum. These prophecies were confirmed via both visual and audible encounters with the Messiah and His personal call into service.

Since its birth End Time Army Worldwide Ministries Inc. has become a forerunner in preaching and teaching Hebraic Bible Truth to believers and sharing the good news of the Jewish Jesus the Messiah to unbelievers. Operating fully in the Five-Fold Ministry of the Church and as those resembling the Sons of Issachar of the 'Old Testament' ETA has instruction; not only for ourselves but also for the Body who will hear counsel, and receive instruction to enable us individually and as a body to be wise in our latter end. Our fundamental message is simply that in doing this as commanded, in love and not as hypocrites, we each of us will allow ourselves to be transformed by the renewal of our minds continually. For this is the only way that we can know what God wants and will agree that what He wants is good, satisfying and able to succeed. This does of course mean that we embrace some, though not all of the foundational doctrine that was there at the birth of Christianity. How do we know what we should embrace? We know by allowing ourselves to be transformed by the renewal of our minds continually so that we do not fall into the traps of legalism and church as usual. When challenged about His actions one Sabbath day our messiah said "If you knew what 'I want compassion rather than animal-sacrifice' meant you would not condemn the innocent." This is just one example of what ETAWM and those allied through ETAMA are all about. Our FATHER in Heaven is doing a new thing we at ETA endeavour to have non-itchy ears ever turned to Him, so that we know HIS will.

The ministries of ETAWMI & ETAMA cover all areas of service and operate throughout the Nations with such areas as prayer and training also accessible online. Each member has a gift's they will use for the benefit of the Body and therefore our ministries are diverse and include market ministries. One of which is ETA Publishing House LLP which publishes the work of those with book and song writing talents. ETA Tefilah Centres blanket the earth in prayer. ETA Talmud Bible Institutes equip the next generation of those chosen and set apart for Gospel Ministry. ETA Kingdom Kidz Academies support those parents who desire to home school their children and also provides children in developing countries with access to education. End Time Ministries Alliance Ltd covers the collective of Independent ministries, outreaches and groups who share our ethos and need the highest level of apostolic shelter required to enable them to fulfil the End Time Mandate they each have been commissioned to.
